Visual Arts Materials Pick-Up

10am-12pm

You will get a packet of surfaces and supplies that you will need for your art class this semester!

Please see the directions below for how to pick them up and email me,

Julie.denison@cobbk12.org if you have any questions.

Where: Pickup will be at the front of Kell near the entrance to the theater lobby. Families will need to drive in the main entrance off of Lee Waters Road and around the circular drive at the flagpole. After materials have been placed into the car, drive out the same entrance.

Procedure: All students and families must remain in their vehicle at all times. When you pull up, please inform the staff of your name and which Fine Arts class you are enrolled in. They will then place the materials into your trunk or back seat. Once materials have been delivered you will be cleared to leave by the staff. This procedure should only take a few minutes.
