

## Criteria for Assignment Portrait Photography: Self Reflection

### Create a self reflection portrait

1. Each photo that you use for this assignment **MUST** be an original of yours, one that you took with a digital camera this semester.
2. Your image must be a portrait of yourself reflected in something.
3. Do **NOT** take a picture of you in a mirror, **UNLESS**, it is the most amazing, creative, compositionally dynamic image I have ever seen. Do **NOT** take a picture of yourself reflected in your ipod I have seen way too many of these already.
4. Save your image in your personal folder and place a copy of the image in the shared folder under Self Reflection.

### Examples of self reflection:
